

spec espace

The longing for space. Release, invitation to infinity.

spec espace

spec espace means the structure and performance and Space".

spec espace is glasses that create the space. Form is naturally wraps the face, show us the expression.

In particular, the impression from the side might "mode" it was not until now.

that another commitment spec espace is a pure "made in Japan". Fukui Prefecture Sabae City, place of production of glasses, which boasts the world.

In each of the factory, we are told elaborate glasses technology. The spec espace, such outstanding craftsmanship spirit is alive unbroken.

When you create endless space, people will pursue draws a dream. Form in the "futuristic" a "spatial", "mode", spec espace is glasses that space that extends to infinity, the cosmic expanse in shape.
